

Recycler Injecton Closure Application (PA4187, R52) - Feature #11824

Ability to close on each injection

02/24/2016 03:09 PM - Kyle Hazelwood

Status:	New	Start date:	02/24/2016
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	40.00 hours
Target version:		Spent time:	0.00 hour
Description			
We should have the ability to close on each injection. Perhaps the user would select what injection and then send settings to a c453 table specific to that injection.
